Dear Mr. Townsend:

Subject 8EHQ-0992-11180

Your letter of June 22, 2007, sent to the attention of Mr. William Hart, Eastman Kodak Company, has been referred to me. This is in response to your request for copies of the original study reports on Methanesulfonyl Chloride (CAS# 124-63-0).

After checking Eastman Kodak Company's Health and Environmental Laboratories' Archives, I found no additional study reports or raw data that were not already included in the original subject document that was submitted August 26, 1992 under the 8(e) Compliance Audit Program.

Please contact me if I can be of any further assistance.

Sincerely,

J. Caroline English, Ph.D., DABT
